Significant Tax Advantage for Individuals & Businesses Significant Tuition Assistance for Families

The Educational Improvement Tax Credit (EITC) is a tax credit that many businesses and individuals in Pennsylvania are eligible to receive. The program offers the donor a PA tax credit up 90% with a 2 year commitment. The donation can be designated to **St. Jude School** to help offset tuition for students who would otherwise not be able to attend a Catholic School.

Join us for one of the two informational sessions and learn how you can redirect your PA tax dollars to help more families afford the Catholic Education they desire for their children! Representatives from both BLOCS and The Foundation for Catholic Education will be present at the information sessions. Please help us reach our goal to be able to help 100% of qualifying families receive the financial aid they need.
