

## **Important Information from ARAMARK**

### ***REMINDERS FOR PARENTS OF STUDENTS***

Dear Parent or Guardian,

We are asking that you communicate with your child or cafeteria manager in regards to any balance they may have on their lunch account. We encourage students to have a clear account to begin the new year in September. These funds should be paid prior to the last day of school. Checking the accounts online will help to keep accounts up to date.

Also please have students know their pin number needed to purchase lunch. If there are students who need a pin number and an ID number, please email the cafeteria manager who can have one provided for them.

Both of these done before school opens will provide quicker lines for better service.

It has been a pleasure serving your children. We wish them the very best as we move into our 2018-2019 year.

If you have any questions or concerns, please contact your location manager.

Have a wonderful summer!

Louise Reimel, cafeteria manager
