

Welcome back Letter

Aramark

Welcome to all new and returning students.

My name is Louise Reimel and I'm happy to return to manage the Aramark cafeteria for St.Jude Elementary.

We should have a very successful year and I am looking forward to seeing the students.

We would love to have a smooth reopening to be able to serve all students lunch. The food line and cash line will move much more successfully if each child learns their pin number and know if their accounts are active. An account becomes inactive when it is the negative. An emergency lunch will be served in this case (no snacks included) for that day only.

Also, students should take advantage of the "Pre-ordering" St. Jude provides. Orders will be taken in the morning by teachers therefore the food they would like will be provided and set aside for them. It is not mandatory to pre-order but it helps insure the student will get their first choice and the line moves quicker.

Cash and online are the 2 available payments. Cash can be sent in envelopes the teachers will collect and sent to the office. On the front of the envelope please have first and last name, pin, and the amount to deposit. Aramark does not accept personal checks.

For pre-K and K, please send in the note with their specific order. They will only be served what is on your request written on that note. Many first grade students may do the same if the parents want a specific lunch purchased.

Please contact me if there are questions or concerns. The café can be reached through the school office phone or email. reimel-louise@aramark.com

Friendly reminder.. there are many negative accounts from last year. The accounts and daily food purchases can be kept track of on the "pay school central" web site to keep.

For a bargain we have our one daily meal each day. This includes the one entrée, small drink and one side for \$4.00. Everything else is al-a-carte.

Hope this is helpful. These are the answers to questions often asked.

Louise Reimel

Café manager/Aramark
